July 30, 2018

To The Parents and Scholars of PHS:

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Pecos High School. I am honored to have the opportunity to return to the Pecos community as an instructional leader! My career in education began in 1995 as a middle school History Teacher in Arlington Independent School District. I served the Pecos community as the principal of Bessie Haynes Elementary from 2006-2008. The majority of my experience in the field of education has been in the Fort Worth Independent School District where I served the community as an administrator and teacher for 20 years. Furthermore, I am eager to bring my skills as an educational leader to Pecos High School and partner with you in education to ensure the highest levels of student achievement.

I will work diligently with the PHS faculty and staff to continue the legacy of success in education by building strong relationships with parents, scholars, and community partners. We will focus on attendance, social and academic excellence, and empowering scholars to think critically while creating lifelong learners,

As your principal, it is important to me that everyone who enters our doors-teachers, scholars, parents and community partners-share the same enthusiasm and emphasis on excellence! This attitude enables us to meet the challenges of academic excellence in a positive and nurturing environment.

My door is always open and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year. Thank you for entrusting us with the education of your scholar.

Sincerely yours,  
Mrs. La Tanya Sadler, M.Ed.
