#### Eligibility

PBT ISD Discovery School is an exclusive child care and educational program for PBT ISD full-time employee parents and/or grandparents, enrolled students, and *substitute personnel who are the legal guardian of the child and who agree to work for the school district for a minimum of ten (10) days each month. For substitute personnel, exchange days are negotiable.* Childcare services are terminated when the employment of the parent/grandparent, enrollment of the parent, or the substitute agreement with the school district is terminated.

#### Operational Policies

Our calendar follows the PBT ISD calendar, if teachers are on duty, we are open. Tuition is based on a weekly rate and is payroll deducted each month. Care beyond the contracted amount of time will necessitate a charge of \$10.00 per instance, assessed at the end of each month. *Tuition accrues on days of non-attendance.*

Part-time enrollment is available for students attending pre-kindergarten and/or an early childhood intervention (ECI) program.

#### Enrollment

The legal parent/guardian must submit a completed admission form to the Discovery School director. Upon receipt, the name of each child will be placed on an enrollment list and will be enrolled according to the date of application and the age of the child prior to September 1. Priority will be given to full-time school district parents, student-parents, and siblings of children enrolled at Discovery School.

*Full-time enrollment is required to secure a place in the program.*
