

PBT-ISD STUDENT SELF-ASSESSMENT

Name: _____ Subject: _____ Grade: _____

What test was taken: _____ STAAR/EOC

_____ Benchmark

What was your grade? _____ Percent correct

_____ Percent needed to pass

_____ Number correct

_____ Percent correct for **grade level**

How many questions above or _____ Above

Below passing was your grade? _____ Below

List the questions missed by number and give the Student Expectation it measured along with the percentage of students at your grade level that got the correct answer.

Pick the number of areas that would give you a passing grade plus three more. Example: You are five questions away from passing. Choose the 5 you think you can learn most rapidly and then pick 3 more producing 8 areas to work on.

- 1.
- 2.
